

MOTORISED GATE CLOSER FOR PEDESTRIAN SWING GATES

Item No. D00000176 - VENUS

The Venus is a plug-and-play motorised gate closer for pedestrian swing gates. The compact all-in-one gate operator can easily be installed on any type of post and hinge thanks to 2 different arm types. The innovative motor's performance remains unaffected by manual force. When combined with access control, the Venus also works as a low-energy gate opener.
